

The Minneapolis Scottish Rite is pleased to participate in the 2019 Minneapolis Doors Open Event.

Our historic Scottish Rite Temple represents the only combined work of 2 renowned Minnesota architects, Warren H. Hayes and Harry Wild Jones. The impressive Romanesque Revival structure was constructed in stages between 1894 and 1906 and has been the home of the Minneapolis Scottish Rite, one of the largest Masonic Fraternal groups in Minneapolis, since 1915. The building was added to the National Register of Historic Places in 1976.
