

A message from the Personal Representative

Brethren of the Minneapolis Valley,

Last August, a small team of dedicated Brethren gathered in our auditorium to initiate the important work of preparing our stage for the repair of the stage rigging and the restoration of our historic drops. The work that day made tremendous progress towards our important goal.

On January 26th another team will gather in our auditorium to continue the important work to prepare our stage for restoration. Our goal on the 26th is to finish the removal and storage of our drops. Once this important preparation work is completed, we will embark upon the next phase of work to determine the best approach to restoring our stage rigging and drops and obtain cost estimates for the work. And most importantly, we will begin raising the money needed to restore our stage to its finest glory.

As you can see, there is still work to be done and our Minneapolis Valley needs your help.

I urge you to set aside some time on January 26th and join our work team at the Minneapolis Valley for this important work.

Our Valley ritual director Brother Lee Kielblock, 32 KCCH will lead the work that day and I know that he - and I - will greatly appreciate your assistance.

YOUR HELP IS NEEDED!!

Please help in the final phase of taking down the Degree Drops and placing them into storage.

The more volunteers we have to help
the easier the job will be!

Thanks In Advance—Lee Kielblock

The work will start at 8 AM.

Please contact Bro. Lee via email at lkiel32@gmail.com or via phone at (763) 213-3753 so that he can plan the work.

Thank you in advance for helping our Minneapolis Valley.

Fraternally,

 

David N. Kampf
Personal Representative to the Deputy for the Minneapolis Valley
