

*Opening Soon*

There are only a few things that need to be completed before we can start using our new entrance and the much anticipated elevator. The new entrance and lobby above will allow you access to the Temple directly from the parking lot. Once you are inside you are cordially invited to enter the bright shiny new elevator. The brothers in the photo to the left want our grand opening to hopefully be the 11th of May.

Once the new entrance and the elevator are operating we believe this will make access to the Temple easier for those that have had a problem in the past. If the elevator is not for you, there are stairs going down to the dining room or up to the main lounge. The elevator was installed for the convenience of our brothers.

We are now asking for you, the brothers to step up and help us cover the costs of this project. We are running behind in tax-deductible donations to the Building and Museum Foundation, which are used to pay for all the work that has been done and replenish the funds used for other needs of the Temple.

## Consistory Feast and Scottie Awards

We are excited to announce the 13th Annual Consistory Feast and Scottie Awards on May 16, 2013 at the Minneapolis Scottish Rite Temple beginning at 5:30 p.m. Do you yearn for steak, but also crave seafood? Why not have both? This year's Consistory Feast will feature a "Surf-and-Turf" dinner. The combination of fresh seafood and perfectly cooked beef is certain to satisfy.

The evening is not entirely about great food. Following the Consistory Feast is the 13th Annual Scottie Awards. Featuring "old guard" standards such as "Best Degree", "Best Actor", "Lodge of the Year", and the "Lifetime Achievement" Award, the Scottie Awards provide the perfect opportunity to support your fellow actors or, if you watch more than you perform, to support those who dedicate themselves tirelessly to presenting the best degrees in the Southern Jurisdiction. But the Old Guard is changing. This year the Officers of the Consistory will be presenting two new and exciting awards including the "Rite Stuff" award, and the "Knights of St. Andrew" award. Discover who will be the first ever to receive these wonderful additions to the Scottie Award lineup.

A ticket to the Consistory Feast is \$15.00 payable to the Minneapolis Scottish Rite. We invite you to RSVP your attendance to Mark Campbell, Secretary of the Minneapolis Scottish Rite, by either calling (612) 871-1500 or emailing [secretary@scottish-rite-mpls.org](mailto:secretary@scottish-rite-mpls.org). The Officers of the Consistory treasure your attendance and promise to provide a memorable evening of good food, great awards, and the fellowship you've come to expect from the Consistory Feast and Scottie Awards.

## The Council of Kadosh

The word "Kadosh" usually translates from Hebrew to "holy" in English. A more precise translation is "separated". The mission of masonry is not to create "holy" men, but to set apart from the rest of humanity those exemplary men who practice the more noble virtues in the pursuit of truth.

The degrees encompassed by the Council of Kadosh are the 19th through the 30th degrees. Although Albert Pike identifies them as chivalric or philosophical, they are all intensely mystical with respect to the lessons covered and symbols employed. The complexity of these degrees cannot be overstated and is exemplified by the number of pages attributed to them in Morals and Dogma. The 28th degree alone is more than one quarter of the 1,000+ pages.

The degrees within the Council are designed to explore further the moral, political and religious lessons taught in the Lodge of Perfection and the Chapter of Rose Croix. The Council degrees explain why morality in the practice of virtue is indispensable to Masons. The political lessons within the Council explain why intolerance, superstition and bigotry are special enemies of human freedom.

The degrees of the Rite do not tell a person what he should think about these questions. Instead, they tell him what the great thinkers and civilizations of the past have thought and they try creating a situation in which the candidate or Brother can gain insight. Agreeing with what Socrates said that the unexamined life is not worth living, the Rite helps with this self-examination by providing reference points.

Remember that these lessons are provided for education, not for doctrine. The manner in which you worship the creator is a private concern and Freemasonry will not interfere with that. Our symbols are to bring in interpretation within the confines of your own beliefs, without intrusion.

## Ritual Corner

On Saturday, May 11, 2013, the Minneapolis Valley will be holding the annual One Day Reunion. What a great day this will be with the opportunity to see the 4°, 14°, 18°, 30°, and 32° all in one day. These terminal degrees introduce and explain many concepts from Scottish Rite philosophy. They reveal the lost word of Freemasonry, and the secret of the 32°. In addition, you can enjoy great fellowship with Scottish Rite Brethren from the entire Minnesota Orient. Enjoy our fantastic meals and welcome our newest Scottish Rite Members to our Valley.

Many things happen behind the scenes to make the One Day Reunion possible. All the committees; Dining Room, Properties, and many more, work hard all day and can use your help. This is a great time to meet the committee heads and members and start to get involved at the Valley. Then come back for the fall class and help make our great Valley even better through your participation.

Please join your Brethren on May 11<sup>th</sup> for the One Day Reunion. I look forward to seeing you there!
